2017 marks the 20th anniversary of the beginning of the Harry Potter legend with the publication of Harry Potter and the Sorcerer's Stone. But how well do you really remember the story? Welcome to the most challenging trivia test on the first book in the Harry Potter series you will ever take. Some of the questions may seem very easy, but do not let that deceive you, many are also devilishly hard, and only a true fan of the book could answer them correctly.

Do remember, these questions pertain to the book that J.K Rowling wrote, not to the film that came later, which will complicate some of the answers and they are not in any particular order, so you will need all of your knowledge of the book as a whole to get them all correct.
